#### School fees:

- HK\$6,700 per month (Whole year – 10 months)
- The offer of a place is subject to an advance payment of debenture of **HK\$ 17,400**. This payment is **non-refundable and non-transferable** if, subsequently, your child fails to attend school.

#### Payment Methods:

- ❖ Fees must be paid monthly in advance by cheque.
- ❖ There are 10 months in the academic year September 2022 – June 2023.

#### Other Fixed Costs:

- School uniform – see school uniform information.

#### Optional Costs:

- Books and children's magazines.
- Extra curricular activities.

#### Withdrawal:

##### Before the student has started in First Steps

- If notice is given before the agreed date for the student to start school - the debenture is not refunded or transferred under any circumstances.

##### After the student has started in First Steps

- If notice to withdraw is given after the student has started school the following conditions must be observed.
- Parents must give at least **2 full calendar months' advance notice in writing** before their last day in school, specifying the pupil's withdrawal date or 2 months' tuition fee in lieu of the notice. For example, if a student withdraws from Anfield on 30<sup>th</sup> June, notice must be given before 30<sup>th</sup> April.
- The notice period does not include school holidays: Mid term breaks, Christmas, Chinese New Year, Easter, the summer period of July and August and may not span two academic years.
- **Please note that the fees for a full month are charged even if only part of the month is attended**, e.g. for a student leaving on April 15<sup>th</sup>, the fees must be paid until end of April.
- Notice once given cannot be withdrawn unless with the agreement of the school.

Anfield reserves the right to make fee adjustment annually. All fees are subject to approval by the Education Bureau.
