English Activity Chest

2 years 8 months - 6 years

An opportunity for a more in-depth regular input into your child's English speaking ability. Conducted by experienced teachers, the weekly sessions follow a theme so that children's learning is supported at the same time as promoting confident English speakers with a wide vocabulary.

Activity chest is a treasure trove of interesting opportunities - rhymes, songs, stories, reading & writing games, arts & crafts, music & drama, action games, computer games, cooking and a short weekly session of Mandarin.

Mixed ages work well together and benefit from one another in these generously staffed classes where the maximum class size is 15.

Be ready for interviews, but more so and equally important, continue to develop your child's oral English in a well planned teaching environment.
